

Save your employees time and money on global money transfers

OFX partners with businesses to offer their employees great rates and guidance on international money transfers. The OFX team of foreign exchange experts are on hand 24/7 to help your international workforce transfer funds for that dream property abroad, to support family overseas, or any other aspiration they may have in today's global society.

Transferring funds overseas can be daunting. But it doesn't need to be. We take the mystery out of foreign exchange so your employees can transfer money by using our stress-free international payments service.

Our great rates, secure and fast payments are always our top priority for your clients. We've got 20 years industry experience behind us and we've been trusted to handle £70bn in international transfers for more than 1million clients worldwide.*

At OFX every client is unique. Excellent customer service is very important to us which is why OFX will be with your clients every step of the way to provide guidance and ensure their global transactions are seamless.

"Since introducing OFX to our employees, the benefits and service provided by them has been excellent. Their approach, simplicity and communication has built confidence into their brand and it is great to see the increasing usage by our employees."

Jessica Yau, Coordinator of Human Resources for AECOM
